

Hi Everyone,

Wow! What another great week filled with lots of creativity. Your poems were so interesting and enjoyable to read. It is so hard to believe that we are at the end of another school year.

To the pupils of St. Gabriel's National School, well done on your hard work this year and for continuing to work at home over the last few months. You are all superstars!

To the 6th Class Pupils, a big congratulations to you on graduating from Primary School. In the few short months I've worked with you, you all impressed me with your work ethic, enthusiasm to learn and your kindness. You should be so proud of yourselves! I wish you all the best as you begin Secondary School.

I hope you all have a safe and happy summer filled with lots of sunshine and laughter. Keep smiling and enjoy it!

Ms. Fitzpatrick

Learn the meaning of a new word from the dictionary. Practice using it in a sentence.

Pick a dance from GoNoodle and practice the dance moves. Perform it for your family.

Carry out some research on your favourite animal and find out some interesting facts that you didn't know before.

Learn some new skills in the kitchen with the help of an adult. Maybe you could help prepare a meal or try a new recipe.
