

Would you like to take part in building the BIGGEST Miniature House of Stoneybatter....?

We are calling on all young people, aged up to 24 years, living in Stoneybatter to create a space that shows how life was for you during the COVID-19 Lockdown.

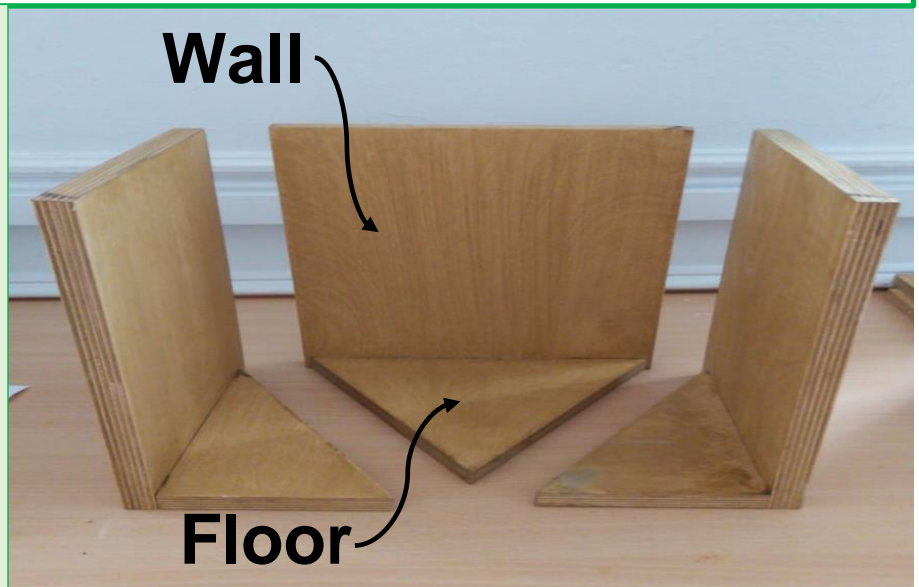

Everyone's spaces will be collected and put together as an exhibition to represent the Stoneybatter community and its people at Collins Barracks in 2021.

How are we going to do this?

We will give you a board like this one

The square at the back will be the wall of your space and the triangle will be the floor

We will also give you the art materials you need to create your space

Before you start creating your space, think back to how it was for you during this time

Ask yourself:

- ❖ What did I miss? (friends, family, school, football, hobbies, travelling, anything else?)
- ❖ What were my dreams? And these can be BIG dreams.....!
- ❖ Did you start a new hobby?
- ❖ What were the really positive things that happened while on lockdown?
- ❖ Did you have a favourite spot in your home?
- ❖ Did you spend more time with your cats, dogs or other pets?

So let's start creating!

- ❖ Will you make something that looks realistic?
- ❖ Or something really colourful?
- ❖ Or maybe something crazy?
- ❖ Or do you prefer black & white?

To get your board and materials, or for more information, contact Johanna on WhatsApp on 0863888466 or anyone in the youth service...
