

Dear Parent/Guardian,

The school will be using Seesaw (<http://seesaw.me>), this year, a secure online journal, where your child can complete activities set by their teacher. The app was used successfully during the recent closure in March.

In order for your child to use Seesaw, the app needs your child's name in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content.

You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>. Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent.

For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

I hope that your child will enjoy using Seesaw to document and share their learning during this time.

Please sign below and return this permission slip so that your child can use Seesaw.

Please sign below and return the form.

I give consent for my child, listed below, to use Seesaw for class activities.
