

## Activities for Junior-Senior Infants

### Phonics:

Can you spell out your name using things around your house? Try to find something for each letter of your name. Here's an example for the name Ben.

Enjoy singing along to The Adam's Family Days of the Week song.

Then tell someone in your family what day it is today, what day it was yesterday, and what day it will be tomorrow.

### Literacy Reading:

Read/Listen to the following story with the help of your parent/guardian and draw a picture to match.

**Kim got a new dog. The dog is black with some spots. Her name is Pip. She likes to run in the park.**

### Oral Language:

Take turns describing objects in your home. For example: a chair.... what size is it? What colour is it? Where would you normally find it? What is it usually used for?

### Oral Language:

Say the nursery rhyme 'Jack and Jill'. Then say it again but instead of Jack and Jill say your name and your friend's name.

### Numeracy: Mental Maths:

Count up from 1 to 10, and back from 10 to 1. Play the magic number game next. Count from 1-10 but this time the magic number is 6 ( that means you don't say the number 6, instead you wave your hand or tap your knee).

Number Recognition: Using a deck of cards (remove aces, jokers, kings etc). Play a game of snap to help with number recognition and number matching.

Mental Maths : Count 1 to 10, and 10 back to 1. Show 4 fingers, show 8 fingers, show 10 fingers, show 2 fingers, show 0 fingers.

### Some fun Maths games :

Patterns: Make a pasta necklace, try using different pasta shapes to make a pattern or paint yur pasta and make a colour pattern.

### Art:

How about having a go at some butterfly crafts. There are some ideas below or perhaps you would like to make your own.
